CHINA UNIVERSITY OF GEOSCIENCES

CUG Scholarship Offer

To International Students from the Republic of Argentina

Feb 28th, 2022

Dear Sir/Madame,

China University of Geosciences (CUG) presents its compliments to you.

CUG, founded in 1952, is a national key university affiliated to the Ministry of Education of the P. R. China. It is also listed in the National “211 Project”, the “985 Innovation Platform for Advantageous Disciplines” and the “Double World-Class Project”. Its Geology and Geological Resources & Engineering have both been ranked as national number one disciplines.

CUG's 7 fields, namely, Geosciences, Engineering, Environmental Science/Ecology, Material Science, Chemistry, Computer Science and Social Science have been listed in the top 1% global universities in ESI (Essential Science Indicators), with Geosciences and Engineering among the top 1%. According to the latest rankings published by the U.S. News & World Report, CUG is ranked as: **NO. 1 Best Universities for Geosciences in China**, NO. 7 Best Global Universities for Geosciences, NO.25 Best National Universities in China and NO.314 Best Global University.

CUG has the honor to ask you to recommend outstanding students and government officials to apply for our scholarship programs. CUG is offering **2 FULL Scholarships** to students from the leading universities in **Argentina** to pursue Bachelor, Master or Ph.D. degree programs at CUG. CUG entrusts you to operate the recommendation.

➤ Overview of the Full Scholarship

The FULL Scholarship covers **the tuition fee, accommodation fee, comprehensive medical insurance and monthly living allowance (CNY 2,500 for Bachelor, CNY 3,000 for Master degree students and CNY 3,500 for Ph.D. students)**. Note that the international air tickets are not covered.

The scholarship will be offered to the students during their stay at CUG for the period of the **Bachelor programs (4 years), Master programs (3 years) and Ph.D. programs (4 years)**.

➤ English-Taught Programs

English-taught master programs are listed as follows:

- **Oil and Gas Engineering**
- **Environmental Science and Engineering**
