

## **DDAYS LAC 2024 - Buenos Aires, Argentina**

We are delighted to invite you to participate in the conference Dynamics Days Latin America and the Caribbean 2024 ([DDays LAC 2024](#)), which will be held in Buenos Aires, Argentina, from the **9th to the 13th December, 2024**.

[Dynamics Days meetings](#) are international conferences on theory and applications of nonlinear dynamics. They have been held regularly in Europe since 1980, in the US since 1982, in the Asia–Pacific region since 1999, in Latin America and the Caribbean since 2010, and in Central Asia and the Caucasus since 2013.

The conference will take place at the [School of Sciences of the University of Buenos Aires](#), in the “Cero Infinito”, and the “Pabellón 1” buildings of Ciudad Universitaria, Ciudad de Buenos Aires Argentina. This Conference has been a regular meeting occurring bi-annually since 2010 and taking place in different countries of Latin America and the Caribbean. The conference in Buenos Aires will be the 6th DDays LAC and it will be the first time to be organized in Argentina. Since its beginnings, a key goal of the conference DDays LAC has been to promote cross-fertilization of ideas from different areas, creating a stimulating environment for experts from the region and the rest of the world to present their results and discuss with the nonlinear dynamics community.
