

The Irrational Squared “PIPI” Meeting I

October 30th-November 1st 2024 / Facultad de Ciencias Astronómicas y Geofísicas

https://fcaglp.fcaglp.unlp.edu.ar/~slandau/pipi_fest/

First Announcement

The Irrational Squared “PIPI” Meeting I, to be held at the Facultad de Ciencias Astronómicas y Geofísicas, Universidad Nacional de La Plata, Argentina, from October 30 to November 1, 2024, will honor the legacy of Héctor Vucetich. This gathering will feature invited talks focusing on research topics that were of great interest to Héctor, offering a comprehensive update on the latest developments across various scientific fields. Aiming to foster interdisciplinary cooperation among scientists, researchers, and students, the meeting will address topics in Astrophysics, Gravitation, Cosmology, and Philosophy, encouraging both scientific exchange and a shared passion for knowledge.

Organizing Committee:

Lucila Kraiselburd	(FCAGLP-UNLP, CONICET)
Susana Landau	(IFIBA-UBA, CONICET)
Milva Orsaria	(FCAGLP-UNLP, CONICET)
Ignacio Ranea Sandoval	(FCAGLP-UNLP, CONICET)
Claudia Scóccola	(DFI-FCFM-UChile)

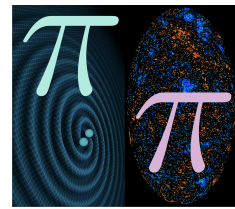

Registration

From August 30th to September 30th 2024

To register, please fill out the form on the webpage of the event:

https://fcaglp.fcaglp.unlp.edu.ar/~slandau/pipi_fest/

There is no registration fee. The number of registrations will be limited by the available space in the conference room.

Invited Speakers:

Esteban Calzetta	(IFIBA, FCEN-UBA, CABA, Argentina)
